SUPPLEMENTAL AMENDMENTAssistant Commissioner for Patents
Washington, D.C. 20231

Dear Sir:

In response to a telephone conference with Examiner Brown on May 17, 2002, Applicant wishes to amend the above-referenced application as follows:

IN THE CLAIMS

Please replace current claim 18 with the following:

(b6g1) 18. (Twice Amended) A method of automatically changing to an alternate transmission medium at a TV viewer location, comprising the steps of:
 entering, at the viewer location, information regarding a viewing preference; *channel change select from Satelite*
 transmitting a TV program from a broadcaster to a viewer location;
 receiving the TV program at the viewer location over a first transmission medium; and
 automatically switching the TV program to the alternate transmission medium based on the information entered by the viewer.

Please replace current claim 34 with the following:

34. (Twice Amended) A television viewing system, comprising:
